

# HOW TO TALK TO YOUR RENTER ABOUT SOIL CONSERVATION

WEDNESDAY, FEBRUARY 21, 2024  
12:00 - 1:00 PM ONLINE

Join the Cannon River Watershed Joint Powers Organization as they host the fifth session of the **virtual learning series *Land to Lake Lectures***. Your land is an investment for generations to come and soil is a valuable resource. During this webinar, Teresa DeMars from the Rice Soil & Water Conservation District and University of Minnesota Extension Educator Claire LaCanne will share knowledge about the principles of soil health and how you can talk to your renter about conservation to protect your soil from erosion. This series is offered in collaboration with the University of Minnesota Extension.
